Interplay between the virus and infected cells in acute Epstein-Barr virus infection. Epstein-Barr virus (EBV) replicates in vivo in a tightly controlled fashion, mostly in the B lymphocytes that are infected. This is reflected by a narrow spectrum of productive infection that is limited to the extra-follicular regions of lymphoid organs where B-lymphocytes are localized. As the virus replicates in a host cell, it can be detected in cells that are in different phases of the cell cycle. Here we address the interplay between the virus and infected cells in acute EBV infection, focusing on EBV-transformed B-lymph

Сайт: Стук Тун. Sefer Yetzirah El Libro De La Creacion - Teoria Y Practica. Sefer Yetzirah the Book of Creation is considered the oldest and most secret of the Kabbalistic writings. It is the first of the three "Sefirot", or "Emanations of God." This translation is the first in English. It is based on the work of Rabbi Arizal (1896-1974), and is intended to be a companion book to Rabbi Aryeh Kaplan's Sefer Yetzirah: The Book of Creation. Kabbalistic English Version of Sefer Yetzirah Translated by Rabbi Aryeh Kaplan. Sefer Yetzirah is one of the most important books of the Jewish mystical tradition, yet it has remained a difficult text for many to understand because of its technical terminology and vast amount of literature. This translation by Rabbi Aryeh Kaplan is the first in English to explain the Sefirotic allegories. It contains the basic text of Sefer Yetzirah, as well as over a thousand traditional commentaries on the work. Most important are Rabbi Kaplan's explanations of the material from the standpoint of the advanced beginner who has already studied the traditional texts. With this information he is prepared to continue his study of the rest of Sefer Yetzirah. Its unique approach should be particularly helpful to all Kabbalah students. In addition, it contains, for the first time in English, the English versions of the Classic Kabbalistic Hebrew text of Sefer Yetzirah. They are available separately in the Jewish Classics Series.
